My Dear Mr. Stevenson:

I appreciate your action in the House of Representatives in honoring my beloved husband. The resolutions drawn up express sincerely what so many who knew French felt—he was a great and good man, and my loss is shared by hundreds.

Please express my appreciation and that of his and my families to the committee who drafted the document as well as the personal friends who prompted it.

I have heard French speak of you often and call you "friend." May I, too, feel that that friendship extends to me and thank you in a very personal way for your kindness.

With deepest gratitude, I am,

Most sincerely,

EMMA DILL RUSSELL SPENCER.

In order to effect these expressed intents, provision is made as hereinafter set forth.

Sec. 2. A board is hereby created and established which shall be known as "The Texas Planning Board," and which shall expire four years from the effective date of this Act. Said board shall consist of nine (9) members, three (3) of whom shall be the State Highway Engineer, the chairman of the Board of Water Engineers, and the Secretary of State, respectively, of the State of Texas, and their successors in office who shall serve until the expiration of said board, and who shall be ex-officio members thereof, with the same powers, privileges, and duties of other members thereof. The Governor shall designate one member of the board chairman thereof, and shall also fill any vacancies that may occur, as they occur. Each member of said board, except ex-officio members who are already under constitutional oath, shall qualify for the duties of his office by taking the oath as is required by the Constitution of the State of Texas.

There shall be at least one member appointed by the Governor, who is experienced in agriculture, one to represent labor, and one familiar with reforestation problems of this State.

Any State officer or employe is eligible for membership on said board; and any State officer or employe so appointed shall serve ex officio and as to such officer or employe this Act shall not be construed as creating a separate office.

Sec. 3. The board, at its first meeting, shall select a vice-chairman, who shall serve for a term of two years and all successors shall be selected in like manner and serve for like terms; the Secretary of State of the State of Texas shall be ex officio secretary of the board. The secretary shall make and keep an accurate record of the proceedings of said board, which record shall be kept in the office of the Secretary of State and be open for public inspection at all times. When said board shall expire by operation of law, all papers, documents, and records pertaining to its official actions shall be placed in a file for that purpose to be kept in the office of the Secretary of State as a part of the permanent official records of the State of Texas.

Sec. 4. The board shall have its office and principal place of business in Austin, Texas, where its meetings shall be held, unless it directs otherwise for specific occasions, and it shall meet then when called by order of the chairman, vice-chairman, or by a majority of its members; provided, however, that the board shall fix, by order entered in the minutes of its proceedings, specified times for its regular meetings, and a quorum to transact business at any meeting shall consist of not less than five (5) members actually present. The board shall adopt such rules, regulations and by-laws as it may deem necessary for the orderly transaction of its business and shall keep a record of its proceedings in book form, and all hearings of said board shall be open to the public.

The board may employ such clerical and technical services of other persons as it may deem necessary, and may incur and pay such additional expenses as are necessary in the discharge of its duties, within the appropriations which the Legislature from time to time may make for its use.

The board is hereby authorized and empowered to accept and expend any funds which may be made available to it from Federal or other sources, the expenditure of any such fund or funds being only for research, investigation and/or administrative purposes of said board. Provided that neither said board nor any member thereof shall have any pecuniary interest in any projects now in course of construction or that have heretofore been approved, and shall not have

any authority to make recommendations concerning the same; provided further that in the event any member of said board shall have any pecuniary interest in any project hereafter to be approved, said member shall not vote upon said project; and provided further that no member of said board or employe thereof shall be interested, directly or indirectly, in any contract of construction or in any other manner in any project pending before the board.

Sec. 5. No member of the board shall receive compensation for his services, but each shall be entitled to his actual and necessary expenses incident to the discharge of the duties of his office, and every expense account shall be approved by the board before same is paid. Payment of expense accounts shall be upon itemized statement sworn to by the member incurring same; payment of expenses of the board shall be upon an itemized account of its secretary certified to under oath as being true and correct; payment of salaries and expenses of employes shall be upon sworn account of the person to whom same is payable; and the secretary shall prepare and file with the Governor, the Speaker of the House of Representatives and the President of the Senate, within fifteen (15) days after the convening of any Regular Session of the Legislature a report of expenditures itemized, including expenditures of the several members of the board, as well as of the board itself.

An itemized statement of the expenditures of the board shall be made up monthly by its secretary, filed in his office, and be open for public inspection at all times.

Sec. 6. The Texas Planning Board shall be charged with the duty of ascertaining from time to time and as early as practicable the amount of funds allocated, or to be allocated, by the various agencies of the Federal Government to the State of Texas, the purpose or purposes for which same is to be expended, and shall formulate a comprehensive State program for the constructive expenditure thereof, for the alleviation of suffering and want of the citizens as a result of unemployment conditions, and for the rehabilitation of worthy indigent families of this State, taking into immediate consideration, in this connection, the amount of Federal, State, and/or private funds available, or to become available, for such pur-

poses; it shall also take into consideration the various resources of this State, natural or otherwise, and how these may best be utilized and conserved for the benefit of present and future generations, and from such consideration formulate such program as a basis upon which may be predicated a permanent and continuing State policy with reference to sound conservation of all resources of this State, as well as for the betterment of the social and economic conditions of the citizens thereof. When requested by either therefor, it shall advise the Governor, the Legislature of the State of Texas, and/or the United States Government of America or its duly constituted agencies, concerning such program, and it shall be without power to effectuate its said program, or any part of same, or to direct the expenditure of any public fund or funds for such purpose, the functions and duties of said board being hereby expressly restricted solely to the giving or making of the aforesaid advisory reports and/or recommendations.

In connection with the foregoing powers and duties of said board it shall, when deemed necessary, have the services of any and all other officers, departments, and agencies of the State Government, including employees of institutions of higher learning, and it shall be the duty of such officers, departments, agencies and institutions to render such service when so requested; provided further, that all expenses incident to such service, other than salaries of such officers, or of employees of such departments, agencies, and institutions shall be paid out of appropriations which the Legislature shall from time to time make to defray the expenses of the board.

The board shall have no power to interfere with the constitutional or statutory authority and/or operation of any municipality or political subdivisions of this State. It shall not interfere with loans and/or grants to any department or agency of the State Government, or to any municipal, defined district, or other political subdivision of this State. Before the aforesaid board may make any unfavorable advisory report or recommendation as hereinbefore contemplated which shall affect any officer, department, or agency of the State Government, or municipal, defined dis-

trict, or other political subdivision of the State, it shall give notice thereof to such officer, or to the head of such department or agency of the State Government or municipal, defined district, or other political subdivision. Said notice shall state the nature of the project or plan proposed, the time (not less than ten (10) days from the date of the notice) and place where a public hearing will be held upon the matter and such hearing shall be openly had with an opportunity afforded to every affected person who desires such to be heard with reference thereto.

The board is authorized to publish and distribute to the public information concerning its recommendations, made or to be made; provided, however, it shall not accept contributions from any person, firm or corporation, public or private, nor expend public funds, to carry on any publicity or educational campaign. It may confer with public or private agencies with reference to matters pertaining to its duties.

No member, officer, employee, or agent of said board, in the performance of his duties as such, shall enter upon, make examination or survey of, or place and maintain any monument or mark upon any private property, without the consent of the owner thereof.

Sec. 7. In connection with the consideration of an advisory report, or recommendation, upon any particular project, improvement, or activity, the board shall require a sworn statement of such applicant, its agent or attorney, setting forth in detail the amount of promotional, legal, and/or technical fee or other compensation paid, or agreed to be paid, by such applicant to any promoting agent, attorney, engineer, architect, or other person for the making or giving of any legal, technical, or other opinion, map or maps, plat, plan, or specifications, in connection with the making of the application for, or with the completion of, said project. Any advisory report or recommendation given by said board shall set forth the amount of the foregoing fee or compensation and shall contain a recommendation by said board as to whether the same is just, fair, and reasonable compensation for such promotional, legal, or other technical services, when paid or to be paid out of any public fund.

Sec. 8. There is hereby appropriated out of the General Fund of the State of Texas, not otherwise appropriated, the sum of twelve thousand dollars (\$12,000), or so much thereof as shall be necessary, to be expended for the fiscal year ending August 31, 1935, to be used in defraying the necessary expenses of The Texas Planning Board in carrying out the provisions of this Act. No employe of said board shall be paid a salary or other compensation for services under authority of said board in excess of the salary or compensation paid to employes of other departments of the State Government, rendering the same or similar services. No expense of a member or employe shall be chargeable to or paid by said board unless same shall have been approved by formal action of the board.

Sec. 9. If any clause, provision, section or part of this Act shall be adjudged by any court of competent jurisdiction to be invalid such judgment shall not invalidate any other term or provision hereof and the Legislature hereby declares its intention to enact each and every clause, requirement, provision and part hereof independently of any such part so invalidated.

Sec. 10. The absence of any adequate law providing for a Texas Planning Board to prepare a comprehensive plan and program for the development and conservation of the natural or other resources and for the betterment of the social and economic conditions of its citizens, creates an imperative public necessity that the constitutional rule, requiring bills to be read on three several days in each house, be, and the same is hereby, suspended, and this Act shall take effect from and after the date of its passage, and it is so enacted.

Respectfully submitted,

MOFFETT,
HEAD,
JONES of Atascosa,

On the part of the House;

REDDITT,
ONEAL,

MARTIN,

On the part of the Senate.

MESSAGE FROM THE GOVERNOR

Mr. Edward Clark, secretary to the Governor, appeared at the bar of the House, and, being duly announced, presented the following message from the Governor, which was read to the House, as follows:

Executive Office,
Austin, Texas, March 12, 1935.

To the Members of the Forty-fourth Legislature:

On November 8, 1932, by vote of the people, a constitutional amendment was adopted authorizing a Texas Centennial, commemorating the heroic period of early Texas history and celebrating a century of our independence and progress.

In September, 1934, the Legislature created the Centennial Commission, a public board charged with carrying out the mandates of the people; and on September 11, 1934, the Democratic Party, in convention assembled at Galveston, pledged its support of the Centennial in its platform.

Due to the pressure of official duties I have not had time to prepare a mes-

sage of such nature as to adequately do justice to this great project. After all, however, no stronger recommendation could be made than that contained in the constitutional amendment and in the platform of the party.

I trust this Legislature will make adequate provision, including a reasonable appropriation, for a real Centennial celebration.

Respectfully submitted,

JAMES V. ALLRED,

Governor of Texas.

RESOLUTION SIGNED BY THE SPEAKER

The Speaker signed, in the presence of the House, after giving due notice thereof and its caption had been read, the following enrolled resolution:
